

Shepherd's Crook Fastener – Pewter

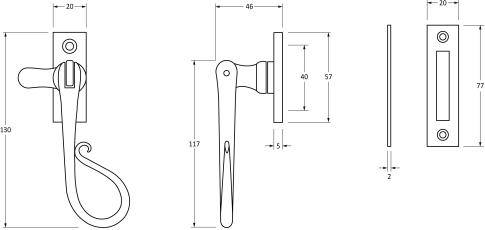

Variant code: 33727

The shepherd's crook is a delicate and traditional design that is only achievable through the skills of our master blacksmiths.

- Designed to fit casement windows and match the shepherd's crook window stays in the range.
- Our handmade fasteners are forged from mild steel giving them unrivalled strength and a wealth of character.
- Reversible design and includes a mortice plate, hook plate available separately (33237), Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.
