Shropshire Coat Hook - Pewter

Variant code: 45233

Our large and varied collection of hooks add character and charm to any project or property. An accessory that's both purposeful and decorative.

Can be used as a single item or grouped together in the same size or differing sizes to create a feature.

Match with any of our pewter lever handles to create a matching theme on your internal doors.

Supplied with matching SS wood screws.

Our pewter patina finish is forged from a durable base of steel and is a fine example of how our unique manufacturing techniques add further detail to the natural charm of metals. The process by which the contrasting textures of this finish are created results in a rich appearance that sits well in characterful, rustic homes but also offers a contemporary alterative in more modern settings.
