

Smooth Cast T Hinge – 12" – Pair – Black

Variant code: 73226

When opened a tee hinge has the appearance of a letter 'T'. An alternative to butt hinges, tee hinges are usually used in conjunction with a suffolk latch on traditional plank doors.

Designed to match our cast thumbblatches.

- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
