

Smooth Cast T Hinge – 12" – Pair – Black

Variant code: 73226

When opened a tee hinge has the appearance of a letter 'T'. An alternative to butt hinges, tee hinges are usually used in conjunction with a suffolk latch on traditional plank doors.

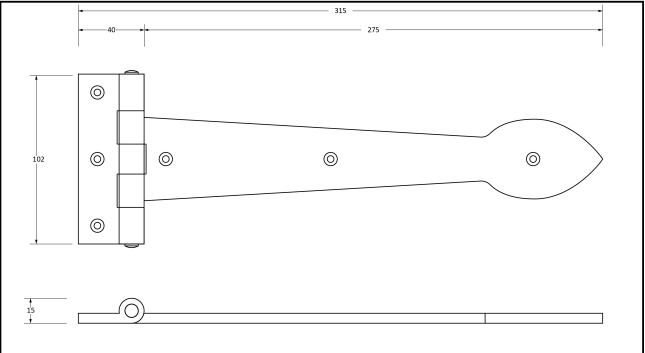

Designed to match our cast thumbblatches.

- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.

Property	Value
Finish	Black
Range	Arrow Head
Overall Length (mm)	315
Hinge arm (mm)	275

Gallery

Technical drawing of a 12 inch T Hinge (Pair). The drawing shows the hinge in two views: a side view and a top view. The side view shows the hinge with dimensions: 40mm for the mounting plate width, 102mm for the mounting plate height, 275mm for the main body length, and 315mm for the total length including the mounting plate. The top view shows the hinge with dimensions: 15mm for the mounting plate width and 1mm for the mounting plate thickness. The drawing also includes a detail of the mounting plate showing four screws.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
