

## Smooth Lever Lock Set – Black

**Variant code: 33320**

A simple lever handle, it's classic design allows it to be used in a variety of settings.

- This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for internal and external doors where locking is required.
- Set includes 2 lever lock handles.
- Can be used with a 5 lever sash lock BS.
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
