

Soft Close Device for Pocket Doors Kits (Min 686mm Door)

Variant code: 46294

Pocket Door hardware is a great way to fit a door when space is limited, or when opening in/out would be impossible due to restrictions.

An ingenious device that will slow down a sliding door and gently close it over the last 110mm of travel.

To be used in conjunction with pocket door kits (46292 & 46293).
