

Solid Brass Lift-Off Hinge 65 x 50mm – Satin Nickel – Right Hand

Variant code: TTS-202WBR

Solid Brass Lift-Off Hinge is a premium architectural hinge designed to provide smooth, reliable operation while allowing doors to be quickly removed without dismantling the hinge. Manufactured from **solid brass** and finished in an elegant **Satin Nickel**, this **65 x 50mm lift-off hinge** combines exceptional durability with a refined appearance, making it ideal for high-quality furniture, cabinetry and interior joinery applications.

Available in **Left Hand** and **Right Hand** configurations, the hinge is designed for applications where frequent door removal is required for maintenance, cleaning or access. Its precision-engineered lift-off design enables the door to be lifted clear of the frame once opened, while maintaining secure and stable operation during everyday use. The solid brass construction provides excellent corrosion resistance and long service life, even in demanding residential and commercial environments.

Manufactured to Sugatsune's renowned quality standards, this lift-off hinge delivers dependable performance, easy maintenance and an attractive satin nickel finish suitable for both contemporary and traditional interiors.

Product Features

- Available in **Left Hand** and **Right Hand** variants
- Lift-off hinge for quick door removal
- **65 x 50mm** hinge size
- Manufactured from **solid brass**
- **Satin Nickel** finish
- Smooth and reliable hinge operation
