Spare Fixings for 33681 Pewter Letter Plate Cover - Pair

Variant code: 33681K

Pair of spare fixings for our pewter letter plate cover.

Supplied with matching SS wood screws.

Our pewter patina finish is forged from a durable base of steel and is a fine example of how our unique manufacturing techniques add further detail to the natural charm of metals. The process by which the contrasting textures of this finish are created results in a rich appearance that sits well in characterful, rustic homes but also offers a contemporary alterative in more modern settings.
