Spiral Cabinet Knob - Large - Polished Brass

Variant code: 83552

The spiral cabinet knob is part of the period range of cabinet knobs.

Our spiral cabinet knob is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice for kitchen drawers with matching products available.

- They are suitable for cupboards, doors and drawers.
- Available in three different sizes.
- Sold in singles.Supplied with an SS M4 screw.

Made from solid unlacquered brass, this finish is both classic and simplistic and offers great possibilities for stately and period dwellings alike, particularly where a very traditional look is desired. When fully polished this finish has a depth of reflection. However, as the product is unlacquered this can also be left to age naturally, which over time will create a beautifully historic finish.
