

## Stainless Steel Parliament Hinge – 4" x 2" x 4" – Pair – Pewter

**Variant code: 33044**

Parliament hinges allow the door or window to be projected away from the architrave or frame by 2 inches.

- Manufactured with ball bearings in the knuckle to provide extra strength and a smooth action that will last for many years.
- Manufactured from grade 304 stainless steel.
- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Our pewter patina finish is forged from a durable base of steel and is a fine example of how our unique manufacturing techniques add further detail to the natural charm of metals. The process by which the contrasting textures of this finish are created results in a rich appearance that sits well in characterful, rustic homes but also offers a contemporary alternative in more modern settings.

| Property            | Value         |
|---------------------|---------------|
| Finish              | Pewter Patina |
