

Stainless Steel Parliament Hinge – 4" x 3" x 5" – Pair – Polished Brass

Variant code: 49555

Parliament hinges allow the door or window to be projected away from the architrave or frame by 4 inches.

Manufactured with ball bearings in the knuckle to provide extra strength and a smooth action that will last for many years.

- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Property	Value
Finish	Polished Brass
Width (mm)	127
Depth (mm)	3
Overall Length (mm)	102

Technical drawing of the 48552 Parliament Hinge. The front view shows a rectangular plate with a central hinge mechanism, a height of 102, and a width of 128. The hinge mechanism has a width of 55. There are eight circular mounting holes, four on each side. The side view shows the hinge's profile with a central circular component and a thickness of 15. A detail view shows a single mounting hole with a diameter of 15.
