Gallery

Technical drawing of a 4" Straight Door Bolt. The drawing includes three views: a top view showing a rectangular body with a central bolt and two side plates, a side view showing the profile of the bolt and the side plate, and a front view showing the bolt head and the side plate. Dimensions are provided for each view: top view (91mm total length, 78mm body length, 36mm side plate width), side view (36mm body width, 18mm side plate height), and front view (34mm bolt head height, 20mm side plate width, 5mm bolt diameter).

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
