

T Bar Handle Bolt Fix - 1.8m - 32mm Ø - Matt Black Stainless Steel

Variant code: 50267

Our stylish t bar pull handles have a modern, simplistic design and are perfect for use on entrance doors.

Manufactured from marine grade 316 stainless steel, these pull handles offer unrivalled corrosion resistance.

This bolt fix option allows the pull handle to be bolted through from the inside of your door.

Available in five different sizes.

Supplied with matching SS bolts.

Property	Value
Finish	Matt Black
Depth (mm)	80

Overall Length (mm)	1800

Gallery

The technical drawing illustrates a horizontal bar with a central slot and two side handles. Key dimensions are: total length 1800mm, height 80mm, and a central slot width of 1600mm. The bar is secured to a base with four circular holes, each marked with a diameter of Ø 25mm. A side view shows a central threaded bolt with a diameter of Ø 32mm.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
