Blum Tandembox Intivo/Anataro Drawer Side - 'M'Height 350mm NL - RAL 9006 Grey - Left & Right

Variant code: 378M3502SV1

Blum Tandembox Intivo/Anataro Drawer Side - 'M' Height 350mm NL - RAL 9006 Grey - Left & Right is designed to form part of the TANDEMBOX drawer system, supporting both INTIVO and ANTARO drawer configurations. Engineered by Blum for precision and durability, this drawer side delivers consistent performance while maintaining a clean and modern internal drawer appearance.

The **M height configuration** provides a balanced drawer solution for medium-depth applications, offering practical storage capacity without increasing overall drawer bulk. Designed for **350mm nominal length** drawers, it is suited to standard cabinet depths and ensures smooth, stable operation when paired with compatible TANDEMBOX runners and components. Supplied for **left and right-hand installation**, it supports correct assembly and balanced drawer movement.

Finished in **RAL 9006 Grey**, the drawer side complements contemporary cabinetry designs and integrates seamlessly within the TANDEMBOX INTIVO and ANTARO systems. When combined with back panels, runners and fixing components, it forms part of a complete drawer assembly designed for long-term reliability and consistent performance.

Product Features

- Designed for **Blum TANDEMBOX INTIVO and ANTARO systems**
- **M height configuration** for medium-depth drawers
- Suitable for **350mm nominal length** applications
- Supplied for **left and right-hand installation**
- Durable **RAL 9006 Grey finish**
- Engineered for strength and structural stability

Product Benefits

SWS HARDWARE
Tel: 01626 333900

- Provides stable and reliable drawer construction
- Supports smooth and consistent drawer operation
- Offers balanced storage capacity for everyday use
- Ensures correct alignment and system performance
- Maintains a clean and modern internal drawer aesthetic
- Suitable for a wide range of cabinetry applications

Technical Characteristics

- Designed for use with **Blum TANDEMBOX runners**
- Compatible with INTIVO and ANTARO drawer systems
- Configured for **350mm nominal length drawers**
- Supplied as left and right-hand components
- Requires matching back panel and fixing components
- Precision-manufactured for consistent fitment

Applications

This drawer side is suitable for kitchen, bedroom and fitted furniture applications where medium-depth drawers are required. It is commonly used in general storage drawers within cabinets of standard depth. The compatibility with both INTIVO and ANTARO systems allows flexibility in design, while the RAL 9006 Grey finish ensures a consistent and contemporary appearance across modern cabinetry installations.
