

Blum Tandembox Intivo/Anataro Drawer Side – 'M' Height 400mm NL – RAL 9006 Grey – Left & Right

Variant code: 378M4002IV1

Blum Tandembox Intivo/Anataro Drawer Side – 'M' Height 450mm NL – RAL 9006 Grey – Left & Right is designed to form part of the TANDEMBOX drawer system, supporting both INTIVO and ANTARO configurations with a focus on durability, precision and clean internal aesthetics. Manufactured by Blum, this drawer side delivers consistent performance and integrates seamlessly within modern drawer systems used in a wide range of cabinetry applications.

The **M height configuration** provides a practical solution for medium-depth drawers, offering balanced storage capacity while maintaining a streamlined drawer profile. Designed for **400mm nominal length** applications, it is suited to standard cabinet depths and ensures smooth, stable drawer operation when combined with compatible TANDEMBOX runners and system components. Supplied for **left and right-hand installation**, it supports correct assembly and consistent drawer performance.

Finished in **RAL 9006 Grey**, the drawer side complements contemporary cabinetry and provides a uniform internal appearance across INTIVO and ANTARO systems. When used with matching back panels, runners and fixing components, it forms part of a complete drawer assembly designed for reliable long-term use.

Product Features

- Designed for **Blum TANDEMBOX INTIVO and ANTARO systems**
- **M height configuration** for medium-depth drawers
- Suitable for **400mm nominal length** applications
- Supplied for **left and right-hand installation**
- Durable **RAL 9006 Grey finish**
- Engineered for strength and structural stability

Product Benefits

- Provides stable and reliable drawer construction
- Supports smooth and consistent drawer operation
- Offers balanced storage capacity for everyday use
- Ensures correct alignment and system performance
- Maintains a clean and modern internal drawer aesthetic
- Suitable for a wide range of cabinetry applications

Technical Characteristics

- Designed for use with **Blum TANDEMBOX runners**
- Compatible with INTIVO and ANTARO drawer systems
- Configured for **400mm nominal length drawers**
- Supplied as left and right-hand components
- Requires matching back panel and fixing components
- Precision-manufactured for consistent fitment

Applications

This drawer side is suitable for kitchen, bedroom and fitted furniture applications where medium-depth drawers are required. It is commonly used in general storage drawers within standard cabinet depths. The compatibility with both INTIVO and ANTARO systems allows flexible design options, while the RAL 9006 Grey finish ensures a consistent and contemporary look across modern cabinetry installations.
