

Blum Tandembox Antaro Drawer Side – 'M' Height 550mm NL – RAL 9006 Grey – Left & Right

Variant code: 378M5502SV1

Blum Tandembox Antaro Drawer Side – 'M' Height 550mm NL – RAL 9006 Grey – Left & Right is designed to form part of the TANDEMBOX ANTARO drawer system, delivering a clean, straight-sided drawer design with reliable performance and consistent alignment. Engineered by Blum, this drawer side supports durable drawer construction while maintaining a modern internal appearance suited to contemporary cabinetry.

The **M height configuration** provides a balanced solution for medium-depth drawers, offering practical storage capacity without increasing overall drawer bulk. Designed for **550mm nominal length** applications, it is suitable for deeper cabinet installations and ensures smooth, stable drawer movement when paired with compatible TANDEMBOX runners and components. Supplied for **left and right-hand installation**, it enables correct assembly and consistent system performance.

Finished in **RAL 9006 Grey**, the drawer side integrates seamlessly within ANTARO drawer systems, providing a uniform internal finish that complements modern furniture design. When combined with back panels, runners and fixing components, it forms part of a complete drawer system engineered for long-term reliability.

Product Features

- Designed for **Blum TANDEMBOX ANTARO drawer systems**
- **M height configuration** for medium-depth drawers
- Suitable for **550mm nominal length** applications
- Supplied for **left and right-hand installation**
- Durable **RAL 9006 Grey finish**
- Straight-sided drawer design for clean internal layout

Product Benefits

- Provides stable and reliable drawer construction
- Supports smooth and consistent drawer operation
- Offers practical storage capacity for everyday use
- Ensures correct alignment and system performance
- Maintains a clean and modern drawer appearance
- Suitable for a wide range of cabinetry applications

Technical Characteristics

- Designed for use with **Blum TANDEMBOX runners**
- Compatible with TANDEMBOX ANTARO drawer systems
- Configured for **550mm nominal length drawers**
- Supplied as left and right-hand components
- Requires matching back panel and fixing components
- Precision-manufactured for consistent fitment

Applications

This drawer side is suitable for kitchen, bedroom and fitted furniture applications where deeper, medium-height drawers are required. It is commonly used in storage drawers, pan drawers and general-purpose cabinetry. The ANTARO straight-sided design supports a clean internal layout, while the 550mm nominal length makes it suitable for deeper cabinet configurations in both residential and light commercial environments.
