

Blum Tandembox Antaro Drawer Side - 'N' Height 450mm NL - RAL 9006 Grey - Left & Right

Variant code: 378N4502IV1

Blum Tandembox Antaro Drawer Side - 'N' Height 450mm NL - RAL 9006 Grey - Left & Right is designed to form part of the TANDEMBOX ANTARO drawer system, providing a durable and high-capacity drawer side solution with a clean, straight-sided design. Engineered by Blum for precision and reliability, this component supports consistent drawer construction and smooth operation across a wide range of cabinetry applications.

The **N height configuration** is intended for deeper drawer applications, offering increased storage capacity while maintaining the streamlined ANTARO drawer profile. Designed for **450mm nominal length** drawers, it is suited to standard cabinet depths and ensures stable, controlled movement when paired with compatible TANDEMBOX runners and system components. Supplied for **left and right-hand installation**, it enables correct assembly and balanced drawer performance.

Finished in **RAL 9006 Grey**, the drawer side integrates seamlessly within TANDEMBOX ANTARO systems, providing a consistent and contemporary internal appearance. When combined with back panels, runners and fixing components, it forms part of a complete drawer assembly engineered for long-term durability and reliable performance.

Product Features

- Designed for **Blum TANDEMBOX ANTARO drawer systems**
 - **N height configuration** for high-capacity drawers
 - Suitable for **450mm nominal length** applications
 - Supplied for **left and right-hand installation**
 - Durable **RAL 9006 Grey finish**
 - Straight-sided drawer design for clean internal layout
-

Product Benefits

- Provides increased storage capacity for larger drawers
- Supports smooth and consistent drawer operation
- Ensures stable and reliable drawer construction
- Maintains clean and modern internal aesthetics
- Improves organisation within deeper drawer configurations
- Suitable for a wide range of cabinetry applications

Technical Characteristics

- Designed for use with **Blum TANDEMBOX runners**
- Compatible with TANDEMBOX ANTARO drawer systems
- Configured for **450mm nominal length drawers**
- Supplied as left and right-hand components
- Requires matching back panel and fixing components
- Precision-manufactured for consistent fitment

Applications

This drawer side is suitable for kitchen, bedroom and fitted furniture applications where deeper, high-capacity drawers are required. It is commonly used in storage drawers, pan drawers and larger drawer configurations. The N height format supports increased storage volume, while the 450mm nominal length ensures compatibility with standard cabinet depths in both residential and light commercial environments.
