Blum Aventos HF Bi-Fold Lift System Cover Cap Set - Light Grey

Variant code: 20F8020G

Blum AVENTOS HF Cover Cap Set - Light Grey is designed to provide a clean and finished appearance for AVENTOS HF bi-fold lift systems. Engineered as part of the Blum lift system platform, these cover caps conceal the lift mechanism arms, enhancing the overall visual presentation of cabinet interiors.

The cover caps clip securely onto the AVENTOS HF mechanism arms, ensuring a precise fit while maintaining full system functionality. The **Light Grey finish** offers a neutral and consistent appearance, complementing a wide range of cabinet interiors and coordinating with other Blum system components.

Designed for durability and ease of installation, the cover cap set allows quick attachment and removal without tools. It integrates seamlessly with the AVENTOS HF system, ensuring a professional finish while protecting internal components from dust and visual exposure.
