

Textured Cast T Hinge – 10½" – Pair – Black

Variant code: 33885

When opened a tee hinge has the appearance of a letter 'T'. An alternative to butt hinges, tee hinges are usually used in conjunction with a suffolk latch on traditional plank doors.

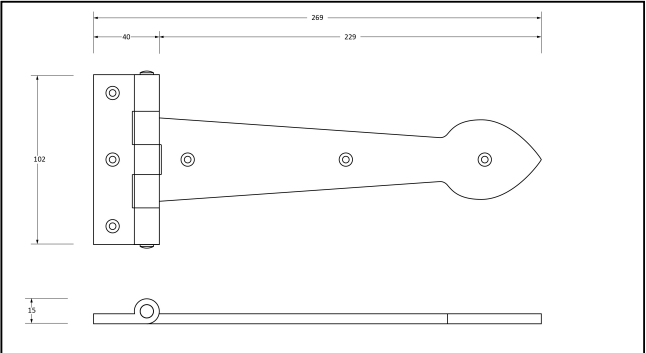

Designed to match our cast thumbblatches.

- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.

Property	Value
Finish	Black
Range	Arrow Head
Overall Length (mm)	259
Hinge arm (mm)	217

Technical drawing of a 10 1/2 inch T Hinge (Pair). The drawing shows a top view and a side view. The top view dimensions are: overall width 269, mounting plate width 40, mounting plate height 102, and mounting plate depth 229. The side view shows a 1 1/2 inch thick mounting plate. The hinge is made of mild steel and has an antique black finish.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
