

## Textured Cast T Hinge – 12" – Pair – Black

**Variant code: 83621**

When opened a tee hinge has the appearance of a letter 'T'. An alternative to butt hinges, tee hinges are usually used in conjunction with a suffolk latch on traditional plank doors.

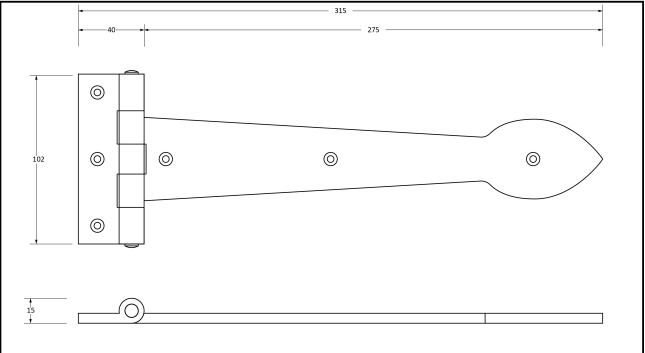

Designed to match our cast thumbblatches.

- A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors.
- Supplied as a pair.
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.

Property	Value
Finish	Black
Range	Arrow Head
Overall Length (mm)	308
Hinge arm (mm)	264

Technical drawing of a 12 inch T Hinge (Pair). The drawing shows the hinge from the front and side views. Dimensions are provided: 40mm for the mounting plate width, 102mm for the mounting plate height, 315mm for the total length, and 275mm for the length of the main body. The side view shows a 15mm thickness. The hinge is made of mild steel and has a black antique finish.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
