Textured Cast T Hinge - 6" - Pair - Black

Variant code: 33884

When opened a tee hinge has the appearance of a letter 'T'. An alternative to butt hinges, tee hinges are usually used in conjunction with a suffolk latch on traditional plank doors.

Designed to match our cast thumblatches.

> A pair and a half (3 hinges) can be fitted to provide extra strength for heavier doors. Supplied as a pair. Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
