

THAMES Aluminium Light Profile – 12V – White Diffuser – Cool White inc Premium Input – 9.6W 1000mm

Variant code: LTP02120AWCW.1000

The THAMES Aluminium Light Profile 12V White Diffuser – Cool White inc Premium Input is a sleek and modern lighting solution designed for various applications.

Key Features:

Type: LED Light Profile

Voltage: 12V

Wattage: 9.6W

Length: 1000mm

Colour Temperature: Cool White

Diffuser: White

Material: Aluminium

Includes: Premium Input

Description:

This light profile is a versatile and energy-efficient lighting solution that offers a clean, minimalist aesthetic. Its cool white light provides a bright, energising illumination, making it suitable for various spaces such as:

- Kitchen under-cabinet lighting
- Wardrobe and closet lighting
- Display case lighting
- Accent lighting in furniture or shelves

The aluminium construction ensures durability and a sleek appearance, while the white diffuser provides a soft, even light distribution. The included premium input facilitates easy installation and connection to a power source.

Overall, this light profile offers a combination of

style, functionality, and energy efficiency, making it a great choice for modern lighting needs.
