Blum Movento Set - Tip-On - Blumotion - Suit 350-600mm NL/15-40Kg

Variant code: T60L7540

Movento Tip-On Blumotion Drawer Runner System - For Seamless, Handle-Free Drawers (350-600mm NL / 15-40kg Load Capacity)

Upgrade your furniture designs with the **Blum Movento Tip-On Blumotion Set**, a premium **concealed drawer slide system** engineered for smooth, silent, and handle-free operation. Ideal for **kitchen manufacturers**, **cabinet makers**, **furniture producers**, and **interior designers**, this high-quality **Blum drawer runner** combines the innovative **Tip-On** mechanical opening support with the soft-closing **Blumotion** technology.

Key Features & Benefits for Your Business:

- **Handle-Free Design:** Achieve sleek, modern aesthetics with effortless push-to-open functionality, appealing to contemporary design trends.
- **Integrated Blumotion:** Ensure quiet and gentle closing, enhancing the perceived value and quality of your furniture.
- **Synchronised Feather-Light Glide:** Experience exceptional running performance, even under heavy loads, providing a premium user experience.
- **Full Extension:** Offers complete access to the drawer contents, maximising functionality and user convenience.
- **High Load Capacity:** Robust design supports drawers weighing between **15kg and 40kg**, catering to a wide range of applications.
- **Suitable for Drawer Lengths (NL):** Specifically designed for nominal lengths from **350mm to 600mm**, providing versatility for various cabinet sizes.
- **Easy Installation:** Streamlined installation process saves time and labour costs in your production.
- **Durable and Reliable:** Backed by Blum's renowned quality and rigorous testing, ensuring long-lasting performance and reducing warranty claims.
- **Increased Customer Satisfaction:** Deliver furniture with superior functionality and a premium feel, leading
