Blum Movento Syncronisation Linkage Set - Tip-On

Variant code: ZST.1160W

Enhance Drawer Functionality with the Blum Movento Tip-On Synchronisation Linkage Set - Reliable B2B Solution

Optimise the performance and user experience of your furniture with the genuine **Blum Movento Tip-On Synchronisation Linkage Set**. Designed for seamless integration with Blum Movento runner systems and Tip-On BLUMOTION for handle-less fronts, this high-quality linkage ensures reliable and synchronised opening of wider drawers.

Key Benefits:

- **Improved Drawer Operation:** Guarantees smooth and even opening of wide, handle-less drawers with a light touch, enhancing the perceived quality of your furniture.
- **Enhanced Reliability:** Genuine Blum component ensures consistent performance and long-term durability, reducing potential warranty claims and maintenance costs.
- **Simplified Installation:** Designed for straightforward integration with existing Blum Movento systems and Tip-On BLUMOTION units, saving valuable assembly time.
- **Optimised Functionality:** Enables the full potential of the Tip-On BLUMOTION mechanism for wider drawers, offering a premium user experience.
- **Durable Construction:** Built with robust materials to withstand the demands of frequent use in residential, commercial, and institutional settings.

Ideal for:

- **Furniture Manufacturers:** Streamline production and offer high-performance handle-less drawer solutions.
- **Cabinet Makers:** Achieve precise and reliable operation for custom kitchen cabinets, bathroom vanities, and other furniture pieces.
- **Interior Designers:** Specify high-quality hardware that enhances both the
