

Touch Up Paint – Black

Variant code: 73101

We offer this durable touch up paint for any minor scratches that may occur over time or through general wear and tear. A perfect match to our black finish, it will prevent any scratched surfaces from rusting.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
