Traditional Case Nightlatch - Black

Variant code: 91093

Our night latches will match the rest of our black door furniture to help create a uniform look to the front facade of your door.

A traditional style case suitable for doors up to 54mm thick.

- Can be used on inward opening doors.
- Supplied with a brass rim cylinder but can be replaced with a black rim cylinder (sold separately).
- Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.

Property	Value
Finish	Black
Width (mm)	64
Overall Length (mm)	90
