

Twist Pull Handle – 7" – Black

Variant code: 83666

The twist pull handle is part of the blacksmith range of pull handles.

The arrow head fixing plates are designed to match our gothic pull handles, hinges and thumbblatches.

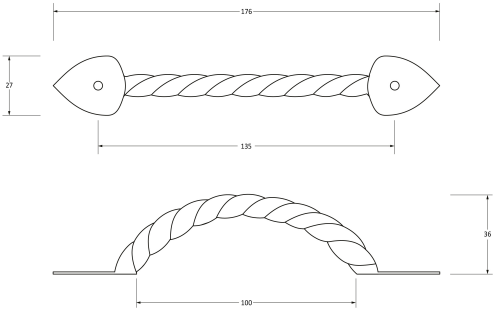

The decorative twist feature showcases the delicate skills of our master blacksmiths.

Sold in singles.

Supplied with matching SS wood screws.

Overall Length (mm)	176

Gallery

Technical drawing of a 7" Twist Pull Handle. The drawing shows two views: a top view and a side view. The top view shows a handle with a twisted central section and two circular end caps. Dimensions include a total length of 176mm, a central twisted section length of 135mm, and a handle diameter of 27mm. The side view shows the handle's profile, which is curved, with a maximum height of 36mm and a base width of 100mm.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
