

TYNE White Light Profile – 24V – White Diffuser – Cool White inc JB Input – 16.2W 900mm

Variant code: LTP04300WWCW.0900

**TYNE White Light Profile 24V 27W 1500mm
White Diffuser – Cool White inc JB Input**

This sleek and modern TYNE White Light Profile offers a clean and contemporary lighting solution. Designed for versatility, it features:

- 24V 27W power output for efficient and energy-saving performance.
- 1500mm length provides ample coverage for various applications.
- White Diffuser ensures even and glare-free illumination.
- Cool White color temperature delivers a crisp and invigorating light.
- Integrated JB Input allows for seamless connection to compatible systems.

Ideal for a range of applications, including:

Residential: Under-cabinet lighting, accent lighting, and cove lighting.

Commercial: Display cases, retail shelves, and architectural features.

Experience high-quality, energy-efficient lighting with the TYNE White Light Profile.
