

Wesco Pullboy-Z Bin for Blum Legrabox to Suit 600mm Cabinet, 500mm NL (2 x 40Ltr Bins) – Grey

Variant code: ABS826762.72LE

Pullboy Z Integrated Recycling Bin for Blum Legrabox Drawers – 600mm Door 80L (2 x 40L)

The Wesco Pullboy Z in-cupboard waste bin system offers the ultimate range of recycling 'built in bins' for Kitchens, workplaces and other applications.

With the Pullboy Z frame sitting within the **Blum Legrabox drawer** this bin system has been upgraded in looks and feel. Experience Elegance in your home, with its clear contours, parallel drawer side design and accent lines. It is simply stunning! It also comes with super smooth, strong runners that effortlessly soft-close.

About:

This 80 Litre version is made up to 2 x 40L inner bins with sturdy double plastic handles, making for ease of cleaning and removal of waste. It is suitable for 600mm wide cabinets based on 16-19mm thick carcass walls.

Please Note: This waste bin system requires the addition of a 600mm wide Blum Legrabox drawer for it to be installed.

Operation: The Pullboy Z bin system is mounted to the cabinet door, as the door is pulled out the bin compartments come out simultaneously. Each inner bin comes with its own individual lid to prevent smells from escaping.

This Pullboy Z comprises of:

- 1 x Steel Frame
- 2 x 40L Inner Plastic Bins with Double Plastic Handles in Orion Grey
- 2 x 40L Inner Lids
- 1 x Fixing Bracket Set for Slab Doors
