

Windsor Door Knocker – Black

Variant code: 33868

Our extensive selection of door knockers suit a variety of doors from timber, composite, upvc and aluminium offering both traditional and contemporary designs.

This windsor door knocker shows a true masterpiece of forging. Drawn from one piece of mild steel bar and bent to form the ring, this highlights every hammer blow by our highly skilled blacksmiths.

Our largest handforged knocker, a perfect product for statement entrance doors.

Surface fixed to the front of your door.

Supplied with matching SS wood screws.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
